New Shop Events

We've had many requests for an Open Sew, and now dedicate one Wednesday evening a month to that. Check the Class Calendar for dates, time is 5:30 to 8:30pm. Open Sew is free and lim-

ited only by space—first come, first seated. Bring a dessert to share if you like, and we always have fresh coffee.

Our popular Tuesday Tea will continue from 9am to noon. We do serve

tea (and usually scones), and feature a category on sale for 15% off until noon. We don't know what is on sale until that morning, so it's always a surprise. Join us for the fun of it!

Quilt Run—March 7-14, 2009

Get ready, set, and run with hundreds of other Southern California Cruisin' Quilters! Take a leisurely week to explore 17 unique quilt shops in San Diego County, with extended hours to make it even easier (9-7 on weekdays, 10-4 on Sun-

day.) Each shop will give away a beautiful \$300 gift basket to one lucky quilter, and a 12" star themed quilt block pattern to each runner. Collect all 17 blocks to make your own "Cruisin' Quilt". In addition, three Grand Prizes will be given to runners who visit every

shop. Get your passport at a participating shop starting March 7. Visit as many shops as you can, and turn it in at a participating shop by 7PM on the last day. Go to www.cruisinquilters.com for more information. Good luck!

BERNINA NEWS

If you haven't seen the new Bernina 830 in action, come in for a personal demonstration. Although this phenomenal machine has the largest arm in the industry, it isn't the least bit overwhelming to sew on. In fact, the size seems just right. With the most space, fastest speeds, jumbo bobbin, dual feed, total stitch control, central touch screen, thread delivery system and AUTOMATIC threading, its features can't be beat. The 820, without embroidery, will be here in the first quarter of 2009.

Free machine mastery classes are ongoing for new owners, and available for a nominal charge if you bought your machine elsewhere. Now is the time to learn all about those fabulous Bernina feet and features!

Come in for special year-end prices on shop demonstration models. Supplies are limited. 18 month no interest/no payment financing available to qualified consumers through the end of the year.

Look for Embroidery Club and Serger Club in 2009.

We'll also have OESD's Embroidery Take Out early in 2009 to supply you with lots of embroidery designs. Come in and get excited!
