## ANNIVERSARY SALE - JUNE 4, 5 & 6

Jan and Diane want to extend a HUGE Thank You to all of our wonderful customers for your terrific encouragement and support over the years! As we write this newsletter, it is hard to believe that we will be starting our Fifth year in business on June 1st. We think fondly of the expertise so freely shared with us by Sharon Walters, the days in the cozy cottage across the street, and the opportunities for growth which have opened up to us over the

years. Please continue to shop at your local independent quilt shops so they will be there to provide the wonderful products and service you can't get anywhere else.

Don't miss our anniversary sale days—20% off regular priced fabric, 30% off bolt ends, lots of 50% off fabrics, 25% off select kits, and special surprise sale categories daily. What a perfect time to get the fabric you need to finish project or start that new masterpiece you've been dreaming of. See you then!

**Southern California  
Quilter's Run  
July 9-12 and July 16-19**

Put on your sneakers and get ready to Run! Run for the prizes, that is. The 42 shops participating in this year's Southern California Quilter's Run have been planning for months to bring you a fun-filled event. The theme is "Carnival", and each shop will carry out the theme in its' own unique way. You'll collect Mardi-Gras beads and a 6" block pattern from each shop you visit and be eligible for their \$300 prize basket. Area baskets worth several hundred dollars will go to a lucky runner who visits all area shops. The Grand Prize is a trip for 2 to the 2010 Paducah Quilt Show. 10 other runners will win \$250 Gift Certificates to spend at any participating shop. Start planning—there is so much to get excited about
